CAMPAIGN BOOK • PERFORMANCE TRAINING IDENTITY

ATHLETIC BRANDS SHOW THE RESULT.

Winning. Podiums. Celebration. Dramatic portraits. Every brand already owns the finish line. Forge needed a different part of the athlete's story.

PODIUM

Victory frames everyone already makes.

CELEBRATION

Confetti is not a training product.

EVERYONE SEES THE RESULT. NO ONE SEES THE 5:12 A.M. ALARM.

Performance is public. The work that builds it is almost invisible.

DON'T SELL THE RESULT. DOCUMENT THE WORK.

Forge owns training, repetition, failure, recovery, discipline, and progress — the process that creates performance.

AM

A woman with dark hair in a ponytail, wearing a black sports bra and leggings, is sitting on a running track. She is looking down with a somber expression. The track has white lane markings, and the background shows a blurred stadium with tiered seating.
